WATERMAN RANCH HOME

SUISUN-FAIRFIELD DEPOT

Commemorating the Bicentennial of our country's birth we are featuring on our cover two historic symbols of our Community.

Waterman Ranch Home of Captain Robert Waterman, the founder of Fairfield, is symbolic of Fairfield's early history. A project proposed by the Fairfield-Suisun Twin Cities Bicentennial Committee calls for its purchase with a surrounding park area and its restoration to depict the way of life of a bygone era.

The Suisun-Fairfield Railroad Depot exemplifies the many remaining old buildings and the colorful and exciting development of Suisun City. While Suisun City owes its early beginnings to its service as a marine port for '49'ers traveling to and from the gold fields, the development of the railroad played an important role in the continuing growth of the area. Agricultural and industrial development continues to rely on every transportation mode from Suisun City's Port to an anticipated regional airport.

RON HILDENBRAND

Ron's cover picture is a beautiful example, by this local artist, of his varied background in commercial advertising, illustration and design and his dedication to pure art. He has recently established a studio in Fairfield where he is devoting full time to the fine art of oil painting. His work deals with a variety of subjects, but all of his art depicts his own personal philosophy, a peaceful quiet mood.

Photographic work on our cover was also done by a local craftsman in his trade, James Treganza.

The Fairfield-Suisun area offers an excellent unified school system with new, modern facilities for all grades. Two high schools, Armijo and Fairfield, serve the city with a third, Vanden, just outside Travis Air Force Base. There are 17 elementary and four intermediate schools in operation.

Located four miles west of Fairfield on 194 acres is the new Solano Community College. Built in 1969 at a cost of approximately \$18 million, this institution offers associate of arts degrees, certificate programs in the trade and technical areas, and extension courses from the University of California at Davis and Sonoma State College. Numerous institutions of higher learning are located in nearby cities. The University of California, Berkeley, and Davis campuses, are within 40 minutes driving time from Fairfield-Suisun.

PARKS & RECREATION

Fairfield-Suisun offers a variety of recreational outlets for all age groups. The Fairfield Recreation Department, for three years, has been honored by the National Sports Foundation as a finalist in the Gold Medal Awards program for Parks and Recreation management and has received national recognition for its achievements in programming and park facilities.

There are more than 625 acres of open space land, including the 385-acre Rockville Hills Park, four public swimming pool complexes, neighborhood parks, one large community park, several linear parks and a large community center. Proposed is a municipal golf course at Rockville Hills Park and a new swim center to be located at Fairfield High School. A master plan is now being completed utilizing an old abandoned railroad right-of-way which bisects the City and will tie into Solano Community College as a bike and pedestrian parkway.

Marina

In Suisun, public and private marinas are available with boat launching and storage facilities. For the sports minded, Suisun Slough leads the way to the vast game region and recreational waterways of Solano County, the Sacramento River, Carquinez Strait, San Pablo and San Francisco bays. Pheasant and duck hunting, and fishing are popular sports in the Suisun Marsh area with easy access via auto or boat. Water skiing, speedboat racing, and sailing clubs find year-round enjoyment here.

The County Parks Department recently opened up Lake Solano for day use, overnight camping and fishing and boating. This area is only minutes away from the Fairfield-Suisun area.

HOUSING

Three and four bedroom homes are in the \$19,500 to \$45,000 price range with custom homes at \$45,000 and up. The area also offers rural homesites on 2½+ acres, and senior citizen housing. There are a wide range of apartment rentals — from studio, one, two and three bedrooms, to deluxe town houses. House and apartment rentals range from \$125 to \$300 per month. New subdivisions and apartment complexes are continuously under construction. Even during the "so-called" real estate recession of 1969-1970, Fairfield housing continued to boom with over 1,800 building permits issued for that period. In 1974 there were 840 residential building permits issued, keeping up a fast construction pace in the face of a general slow down in the industry.

SENIOR CITIZENS

The City of Fairfield Recreation Department offers the senior citizens of the Community many special programs and services in the new Fairfield Community Center complex. These pleasant and modern facilities provide the proper environment for leisure time activities of our "older Americans." Two groups of seniors meet on various days of the week, with the Fairfield-Suisun Senior Citizens holding their business and social meetings every Wednesday and the Senior American Club of Fairfield-Suisun holding their regular meeting each Tuesday afternoon. Casa Mobile Park Senior Citizens Group meets every Thursday at 1 p.m. in the club room at Casa Mobile Park. Drop in programs are offered other days of the week. Recreational events and activities include bus trips, picnics, field trips, bowling leagues and tournaments, shuffle-board events, card parties, bingo, pot-luck dinners, etc. In addition, Arts & Crafts Programs are held by the Clubs and are also available through the Recreation Program.

Recreation programs are also coordinated with the Director of the new Fairfield Senior Housing unit located nearby at 1100 Union Ave.

Low fare taxi rides for senior citizens: Effective October 1, 1974, low fare taxi rides became available to senior citizens and handicapped persons within the city limits. Through the cooperation of the city and the Fairfield Transportation Center Inc., the local taxi operator, door-to-door service is only 40c per ride and books of ten tickets costing \$4.00 may be purchased in the lobby of the Fairfield City Hall and at the Social Security Office, 601 Madison St., phone 425-9581. The same service has been extended to Suisun. Tickets may be purchased at Suisun City Hall. For taxi service call 422-4300.

A WORD OF CAUTION

Citizens of our community lose hundreds of dollars each year to questionable firms which offer the "fast deal" or the "one time only bargain" usually during the Christmas Holiday Season. Solicitation is made by telephone and usually covers items such as jewelry, cosmetics, books, magazines, photos, home repairs, clothing, and dozens more. Usually, the telephone solicitor opens with "you have been selected" or "your name has been chosen" and you are required to make the deal now or "the opportunity will slip away".

Our advice is to let the opportunity slip away . . . or at least ask for enough time to thoroughly investigate the offer with the Chamber of Commerce. You could be dollars ahead by simply saying "No, I'm not interested" and then go out and patronize the member firms listed in this Directory.

Members of the Fairfield-Suisun Chamber of Commerce form the real business backbone of our community. They provide hundreds of jobs to local citizens, and their payroll dollars are funneled back into the local economy.

These members deserve your patronage and support. By their very investment in the community, they guarantee fair dealings, good service and quality products. They are people of integrity and they plan to stay in business . . . here . . . and to grow with the "ACTION Area!"

SHOP FAIRFIELD FIRST!

This Membership Directory and Buyers' Guide is published by the Fairfield-Suisun Chamber of Commerce as a community service. It is distributed free to residences and businesses in the Greater Fairfield area, as well as to new residents.

The Directory is intended to encourage the people of our community to become better acquainted with our local business and professional firms and we urge you to patronize your Fairfield-Suisun business neighbors FIRST for your shopping and service needs.

A special thanks to those merchants whose advertising made this Directory possible.

RETAIL SHOPPING

The four-mile long "main street" — Texas, West Texas and North Texas — of Fairfield offers numerous and varied retail shopping facilities, with many nationally known firms, independent specialty shops and major discount stores. All top-name brands and all price ranges are available. In addition there are two other major shopping centers and the first phase of a third — and largest — the Solano Mall.

SUNNY ACRES CONVALESCENT HOSPITAL

Highly professional care is the outstanding feature of Sunny Acres Convalescent Hospital. Administrator Olga Donahue directs an exceptionally well-qualified staff that includes licensed nurses, experienced aides, a dietician, physical and occupational therapists, a clinical social worker, and an activity director.

Providing short-term and long-term care for the elderly and the chronically ill, Sunny Acres has a 90-bed capacity. Volunteers contribute to a home-like atmosphere under the guidance of the activity director. This adds to the patients' well-being and helps keep morale at a high level.
